

Make a Pinwheel!

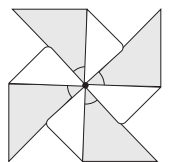

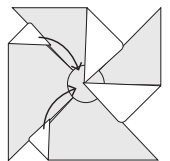

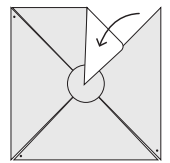

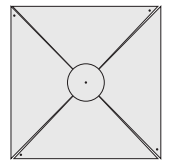

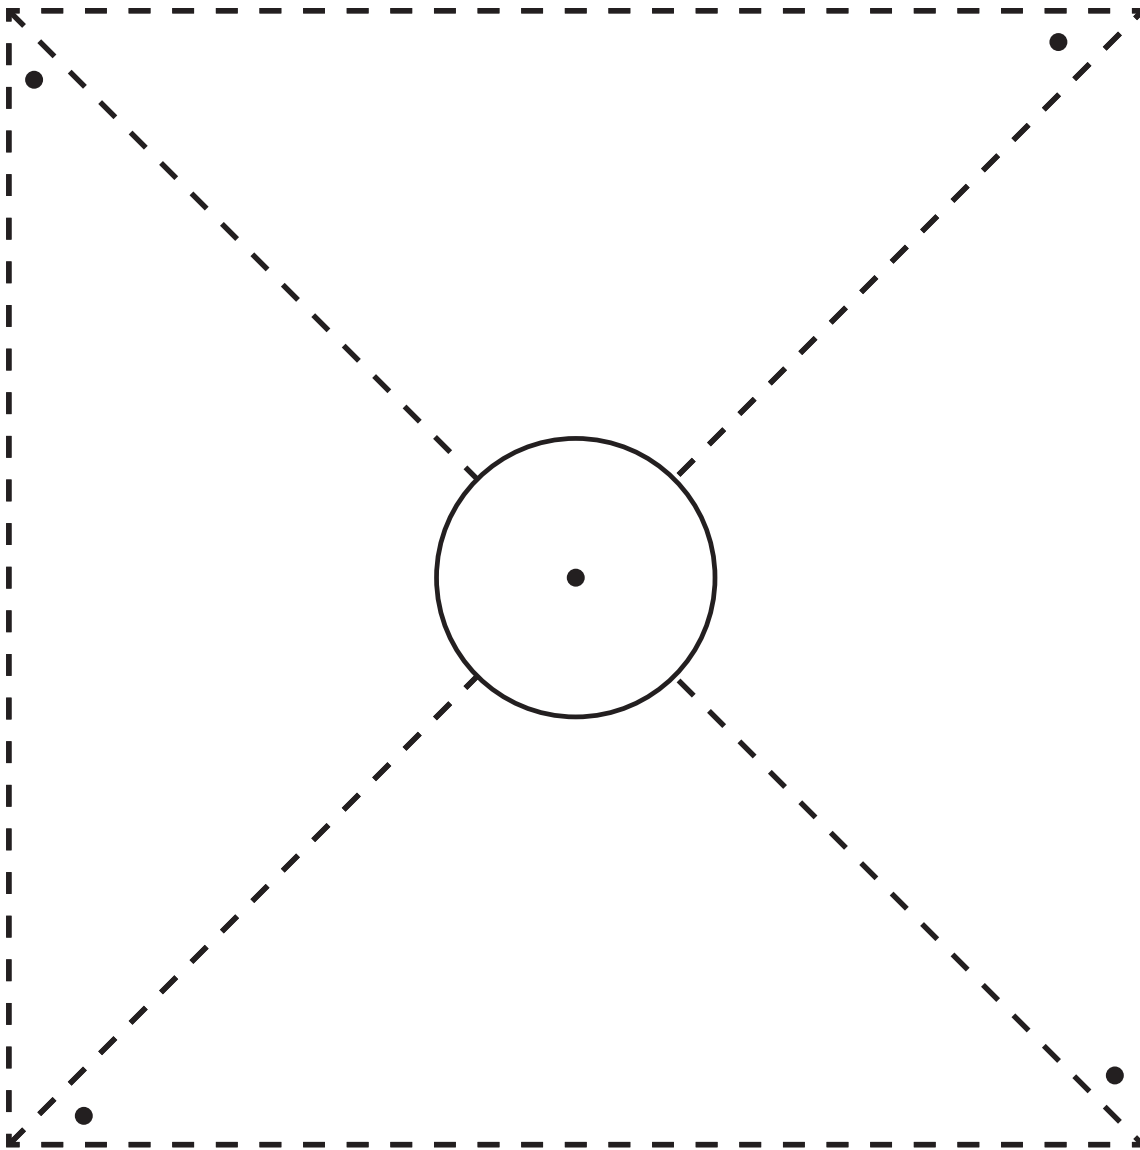

Materials

- Coloring materials
- Pencil (with eraser)
- Push Pin
- Scissors

Steps

1. Decorate the pinwheel.
2. Cut out the pinwheel along the diagonal dashed lines.
3. Carefully fold every other corner (marked with a ●) towards the center of the square.
4. Push the push pin through the center of the folded corners.
5. Push the push pin through the pencil eraser.
6. Hold the pinwheel by the pencil and give it a gentle blow to make it spin!

Notes for Teacher

1. Copy this image onto sturdy paper.
2. The pencil and push pin can be substituted with a straw and brad.
